Page 102, CHUTE DOGGING, III Event Rules, #3,

With steer loaded in chute, dogger gets beside steer with hand and arm in front of shoulder of steer, or behind shoulder if dogger desires, and can wrap under neck. When dogger calls for steer the chute gate will be opened. Dogger must maintain his arm and hand position without impeding forward progress of steer. Should dogger grab horn, ear, or impede forward progress by choking steer, a 10 second penalty will be assessed. Steer must cross score line before being thrown or starting to slow the steer's forward progress to start throwing process. If steer is thrown before crossing score line, it will result in a disqualification since time has not started. Dogger cannot do anything to start throwing process until time has started in the field.

Page 102, CHUTE DOGGING, III Event Rules, # 4 Should be removed as it is addressed in new rule 3.
